

Uncharacteristic Views – An Online Collective Tribute

Following the success of the collaborative MiniBABE tribute to On Kawara in 2020, we are inviting you to take part in another, bigger, BABE collaborative tribute held across social media. This time taking inspiration and direction from John Baldessari.

Using number 79 of John Baldessari's 1970 'List of Art Ideas for 1st Class of CalArts, Post Studio (If They Have No Ideas of Their Own from which to Make a Piece)', we would like you to:

Photograph the backs of things, underneath of things, extreme foreshortenings, uncharacteristic views. Or trace them.

Please post your photographs/tracings on Instagram or Twitter, tagging Arnolfini (@arnolfiniarts) and using the hashtag #backsofthings. Description optional. Please complete by 18th April 2021.

Collated entries will be presented on Arnolfini website and may even become a physical book.
